Welcome Back Dance

Sponsored by National Junior Honor Society

Parents: I need chaperones for the dance on **Friday, Aug. 19, from 2:30-4:00.** Remember back to Induction last spring when I asked for parents to volunteer to help. Even though your child may not want you there, for this to be a successful fund raising event, we NEED you there. This is always the largest attended dance of the year and we will probably have 500 students in attendance and with 6th grade maybe even 700. I need some parents at 2:15 to help set-up the drink table and to be available to take tickets.

We need parents to supervise the gym, hallways and restrooms, take tickets, sell drinks and food, and someone to help with the Karaoke machine in the auditorium/LGI.

Each member is to bring in 1, 2 liter of soda. Mt Dew is usually the best seller, but we need some caffeine free and diet drinks also. The member knows which they are to bring. Please have the liter to me by Thursday before the dance. A member will receive a free dance ticket for bringing in the liter. (tickets cost \$3)

Please return the form by **Wed. , Aug. 3, even if you cant help.**

Thanks,

Mrs Galloway
